MAY NEWSLETTER

Welcome to May (wasn't it just April?). I can't believe we are at the end of the year. I see the growth in your children and can't believe how they have changed! May is a very busy month; between practicing for the program and doing Mother's Day projects we are on our toes.

LAST DAY OF SCHOOL: PLEASE note on the calendar your child's last day of school and that the last day will only be from **9:30 – 10:30.**

GRADUATION PROGRAM: Included is a green note, to tell you the details of your child's program.

END OF YEAR PARTY: We will be having a popsicle party the last day of school. A celebration for a job well done at the graduation.

2008-2009 SCHOOL YEAR: I will be sending you follow-up information the first week in June. If you have not finalized registration yet you will need to do it ASAP.

I know that I speak for all of the teachers when I tell you how much we love your children. This has been an absolutely wonderful year. Your children inspire me with their goodness. You are doing a FANTASTIC job with them. We are very sad to have it come to an end; the only saving factor is that we get to do it again next fall. Thank you for the privilege of associating with your children and with you! I give great credit to Mrs. Reynolds who has done a wonderful job.

HAVE A GREAT SUMMER!

Love,
Mrs. Bullock

When should your child be there? 10 minutes before their program starts

**What should your child wear? Anything; although it is nice if they dress up; but I have learned

**What to do if your child is visibly upset: It's ok to go and stand by your child
